

IR illuminator

VOIRM70/30

IR diode illuminator; Effective range up to 70m; Illumination angle 30

Technical parameters	
Product type	IR diode illuminator
Detection range	effective range up to 70m
Illumination angle	horizontal 30
Housing	Housing (aluminum casting) silver, lifetime LED over 30 000h
IP rate	IP65
Additional functions	IR wave length 850nm
Voltage	230VAC/max 10W
Dimensions	100x90x165mm
Weight	600 g
Operating temperature	-30
